

Subject:

Formal closure of Section 202 Housing Review and initiation of **compensation proceedings totaling £270 million** related to systemic housing neglect, care failures, and violation of protected rights under the Human Rights Act 1998, Equality Act 2010, and Children Leaving Care statutory duties.

Key Points for Submission**1. Section 202 Closure Date:**

- Scheduled to end on or around **14 August 2025**.
- This review addresses **multiple systemic breaches** across housing and care provisions between 2016 and 2025.

2. Background Summary:

- Repeated homelessness incidents despite disability status
- Placement breakdowns after time in state-regulated care
- Lack of safe provision under the Care Act 2014 and the Children Act 1989
- Traumatic eviction linked to care home-based registration of parent under Thurrock Council
- Failure to protect from molestation, abuse, and re-exposure to trauma
- Absence of culturally competent or neurodivergent-aligned care planning
- Financial entrapment due to benefit and housing denial cycles

3. Legal Remedy Sought:

- **Total Claim:** £270 million
 - Includes direct damages, generational restitution, and future legal precedent impact
 - Claim grounded in cumulative failure across: housing, care, NHS safeguarding, PIP, adult transition planning, and educational deprivation
- Request for **immediate housing allocation near Cambridge** to facilitate PhD completion and ongoing OBINexus research work

4. Supporting Documentation:

- Timeline of events (2015–2025)

- Petition campaign evidence & witness statements
 - OBINexus governance codebase for reform system
 - Trauma-informed care proposals and integration needs
 - Book list & academic materials in possession, documenting intellectual continuity
-

Action Requested at Meeting

- Formal acknowledgment of **systemic failure by the Council**
- Immediate transition plan to **permanent, safe, accessible accommodation**
- Recognition of ongoing academic and professional work in robotics, AI ethics, and legal design
- Legal path initiation for **settlement or High Court escalation**
